Last year our slate won just over 70% of the seats on the KPFK Local Station Board, **thanks to all of you who voted!** Although our new board has done great work, its efforts are being blocked by the Pacifica National Board. This year we are working with allies at the other 4 Pacifica stations so that they can replicate the election success we had at KPFK. Then they will elect more capable Pacifica National Board Members who will support our local initiatives.

Meanwhile, **we must maintain our majority on the KPFK Local Station Board.** We know that our slate of competent, well qualified candidates will be effective in strengthening our station.

Our candidates will work for:

1. Better, higher quality programming
2. Delivery of all backlogged premiums promised to our members
3. Better financial management so that we can retrieve our Corporation for Public Broadcasting funding
4. Improved signal strength and quality
5. Enhanced journalistic standards in news and public affairs programming
6. Better promotion and marketing of our station
7. Restoring the hours cut from Roy (of Hollywood) Tuckman's show 'Something's Happening' and from 'Rising Up with Sonali'

The Committee to Strengthen KPFK is an independent community association formed to evaluate and endorse candidates and to provide KPFK voters with information about station elections. The Committee to Strengthen KPFK is a project of the Social Uplift Foundation, a nonprofit public charity exempt from Federal Income Tax under section 501(c)3 of the IRS code.

When you receive your email or mail-in ballot, use this Endorsement Postcard as a handy reference on how to vote. Please vote for all of our candidates as your highest ranked choices. But even if you don't vote for our candidates, please do vote as 10% of the KPFK membership has to vote or the election will be voided.
